

# INTERNET USAGE POLICY

## **Rationale:**

- The internet provides an opportunity to enhance students' learning experiences by providing access to vast amounts of information across the globe. Online communication links students to provide a collaborative learning environment and is intended to assist with learning outcomes. Today's students are exposed to online communication tools and the internet in their community.
- Use of the internet and online communication services provided by the Department of Education and Early Childhood Development is intended for research and learning and communication between students and staff. Access to internet and online communication tools at school will assist students to develop the information and communication skills necessary to use the internet effectively and appropriately.
- Responsible use of the services by students, with guidance from teaching staff, will provide a secure and safe learning environment.

## **Aims:**

- To improve student learning by increasing access to sources of information.
- To develop skills in appropriate and effective use of the internet.
- To develop critical literacy skills in evaluating the quality of information and perceived or actual bias of information sources.
- To instruct students about how to use the internet and network in a safe and responsible manner

## **Implementation:**

- This policy applies to all staff and students at Hopetoun P-12 who access internet and online communication services provided by the College and the Department of Education and Early Childhood Development.
- It is a privilege, not a right, to use the internet.
- Staff provide appropriate supervision when students are using the internet.

## **A) ACCESS AND SECURITY**

Students will:

- not disable settings for virus protection, spam and filtering that have been applied as a departmental standard.
- ensure that communication through internet and online communication services is related to learning.
- keep passwords confidential, and change them when prompted, or when known by another user.
- use passwords that are not obvious or easily guessed.
- never allow others to use their personal e-learning account.
- log off at the end of each session to ensure that nobody else can use their e-learning account.
- promptly tell their supervising teacher if they suspect they have received a computer virus or spam (i.e. unsolicited email) or if they receive a message that is inappropriate or makes them feel uncomfortable.
- seek advice if another user seeks excessive personal information, asks to be telephoned, offers gifts by email or wants to meet a student.
