

# Student Drivers Policy 2018

## PURPOSE

This policy sets out our school's approach to students driving to and from school and school events. Our school recognises the need for the whole community to make efforts to minimise the risks associated with young drivers and to encourage responsible driving behaviours for students.

## SCOPE

This policy applies to all students at Hopetoun P-12 College who have a valid driver's licence.

## POLICY

Our school recognises that some students will turn 18 and obtain a driver's licence while they are still attending school. Some of these students will want to drive to and from school. Hopetoun P-12 College expects that all student drivers will adhere to the conditions of their licence and the road rules and will drive in a safe and responsible manner. If the school becomes aware that a student driver has driven in an unsafe or irresponsible manner, police will be notified.

Students are not permitted to drive themselves to and from camps, excursions or other school activities **unless previously arranged and agreed in consultation with the school principal**, and only in exceptional circumstances or in circumstances where all students are required to make their own way to the event. Student drivers may drive their siblings to school however they may not drive any other Hopetoun P-12 College student to or from school. Consistent with Victoria's Graduated Licensing System conditions, students are permitted to drive only one peer passenger (aged 16-22), unless the passengers are siblings of the driver.

Students are not permitted to use their car during the school day unless it is for an approved reason such as an unavoidable medical appointment. A certificate of attendance at the appointment is required.

If students act in breach of this policy, parents/carers will be notified and appropriate student sanctions will apply.

Hopetoun P-12 College takes no responsibility for damage to vehicles parked in the student car park and parking is at the vehicle owner's own risk.

## PARKING

Students may park to the west and at the back of the library. Students are not to park in the staff car park.

## PERMISSION FORM

Students who drive to school must complete the permission form prior to commencing driving to school.

## REVIEW

This policy will be reviewed as part of the school's three-year review cycle or earlier as required.
