## POLICY

### 1. School profile

Hopetoun P-12 College is situated in the well-serviced Southern Mallee township of Hopetoun (pop. 500). The College has a current enrolment of around 80 students across Prep to Year 12 drawn from the surrounding communities of Hopetoun, Beulah, Patchewollock, Lascelles, and Woomelang. The predominant industry is dry land agriculture and associated services.

The College has a proud tradition of providing opportunities to meet the academic, technical, sporting, physical, social and cultural needs of its students. The College promotes an environment that values achievement, participation and performance to the best of one's ability. The College values personal qualities of respect, excellence, teamwork and resilience.

The College will continue to present a curriculum allowing access to all Domains of the Victorian Curriculum. A strong focus will be placed on developing competency in literacy and numeracy to provide students with both the skills and confidence to become active participants in their learning. Innovation together with a willing and committed staff will assist in a wide range of opportunities and extensive choice of VCE, VCAL and VET studies being offered. Curriculum access and student learning will continue to be supported by a well-developed welfare program. Hands On Learning (HOL) is an addition to the curriculum to help support and re-engage students who have been identified as possibly being at risk with the school and community

The College's size allows for small classes and an ability to better meet individual student needs. Students will be encouraged and challenged to realise their potential.

Continuing importance will be given to the provision of enrichment activities and programs designed to foster the development of social skills, leadership and citizenship. The College is keen to provide its students with the competency to form meaningful relationships and develop connectedness necessary to enjoy the range of experiences life has to offer. The core values of respect, responsibility and teamwork underpin our daily life. We promote resilience, perseverance and a positive mindset.

The College's buildings are situated in attractive, spacious grounds. Student access to learning opportunities outside the College is assisted by a bus, car and a camping trailer. Internet access is provided within the College and supplemented with a one-to-one device program across all year levels.

The College looks to build on the close ties established with the Wimmera Virtual School and Southern Mallee Cluster schools. It continues to develop the community partnerships that are increasingly important in providing learning and vocational experiences. We look forward to working with the community in meeting the present and future needs of students.
